Friday	<ul style="list-style-type: none">● No School - Professional Learning Day

Around CBN

Banderole d'adjectifs

The students in 2A have been hard at work this week creating a banner of adjectives. Not only is it a great art display but students can reference the words when writing.

Field trip to John Janzen

The Grade 1's visited the John Janzen Center this week

French Certificates

Monthly, students who have made an effort to speak French in class are recognized and presented with a certificate. We encourage families to take a look at the French bulletin board near the office with our most recent award recipients.

Félicitations, to all those who have received certificates!

[Did you know?](#)

Mark your calendars!

On Tuesday, June 4 at 2:05 PM we will be having our Spring concert in the gym. The handbell option and students in grades one, two, and three will be performing two songs for you. The concert will last approximately 40 minutes. Please see flyer below for further information.

Grade 6 Celebration

Any Grade 6 parents who are interested in planning the Grade 6 Year End Celebration are invited to email Kristy at kyoung@planetcom.ca. In the coming weeks we will be forming a committee to plan the afternoon portion of the celebration. Please email if you would like to join the committee OR if you are available to help out with the Celebration and Kristy will be in contact with more info!

Lost and Found

The school lost and found boxes are quite full and a large portion of the items are winter clothing. This week the items will be displayed on tables near the grade 1 and gym hallways; please visit all tables and take the items belonging to your children. The remaining items will be donated at the end of the week.

Student Transportation: 2019-20 registration is now open

Planning to use Student Transportation in the 2019-20 school year? If so, make sure your child is registered so Elk Island Public Schools (EIPS) can plan routes and send your child a bus pass before the first day of school.

All students who indicated needing transportation services through the pre-enrolment process are now registered. Families registered will receive tentative route schedules and invoices by the end of the month—fees are due June 30, 2019.

For those students who didn't indicate needing transportation service through the pre-enrolment process and want to now register, simply contact EIPS Student Transportation at 780-417-8151 or email st@eips.ca.

For more information about EIPS Student Transportation visit www.eips.ca/transportation.

NOTE: Fees can be paid online using the [PowerSchool Parent Portal](#) or in-person at the Student Transportation office—683 Wye Rd., Sherwood Park. The office will remain open during the summer months operating during the same hours as the EIPS Central Services office.

[Counsellor's Corner](#)

ExamBank allows students to assess themselves as they progress throughout the year by writing online practice exams, as well as helps them prepare for their year-end tests. The exams are self-marking, provide the student with instant feedback, help to lower test anxiety, and reduce teacher workload. All questions are based on the Alberta curriculum and are developed with the cooperation of Alberta teachers. Website:
