École Campbelltown has been extremely fortunate to have formed a relationship with Elder Wilson over the past several years. He is a valued addition to our school community and we always enjoy seeing students' and staff's joy as they see him walking in our hallways.

This year, Elder Wilson has helped our staff, students and community in our Truth and Reconciliation process through participating in our Orange Shirt Day Assembly, through leading sharing circles and sharing his knowledge with classes and through making talking sticks with various classes.

This week, the Grade 5 students will be participating in the Blanket Exercise with Elder Wilson. The Blanket Exercise is an interactive timeline of events from pre-contact to present day. Students take the role of Indigenous peoples throughout the exercise so that they can develop a deeper understanding of the relationship between the Crown and Indigenous peoples in Canada, from the settlers' arrival to modern times. Our favorite part of this activity is listening to the students' profound reflections during the sharing circle that Elder Wilson leads after the exercise.

As the school year winds down, we would like to extend our gratitude towards Elder Wilson for all the support that he has provided our school this year.

Working with you,
Mme Garneau & Mme Boswell

Around CBN

As part of an initiative to encourage healthy living and physical activity, the Grade 4 students participated in the annual Mayor Walk followed by swimming at Millennium place.

Campbelltown will soon have four new students! We have four duck eggs and a mother duck nesting in the garden in the front of the school. Classes have taken this opportunity to learn about and observe the life cycle of the birds.

Volunteer Tea and Spring Concert

We would like to invite all of our volunteers to our Volunteer Tea on Tuesday, June 4 at 1:00 PM. Following the tea at 2:05 PM, we will be having our Spring concert in the gym. The handbell option and students in grades one, two, and three will be performing two songs for you. The concert will last approximately 40 minutes. Please see flyer below for further information.

School clean-up

This Spring, our students are developing their environmental citizenship. Each week, specific grades are assigned to clean-up the school yard. A big thank you to the Grade 1 classes who helped last week. We look forward to the Grade 2's helping this week.
