

Message:

Thank you Parent's Council and all the volunteers for organizing the first End of the Year Family BBQ. Although the weather was not as kind, we enjoyed getting together as a school community.

As we prepare for next year, we are currently looking for lunch hour supervisors. If this is a position that is of interest to you, please contact our front office at 780-467-5143.

Working with you,
Mme Garneau & Mme Boswell

Student Transportation 2019-20

Planning to use Student Transportation in the 2019-20 school year? If so, make sure your child is registered so Elk Island Public Schools (EIPS) can plan routes and send your child a bus pass before the first day of school.

All students who indicated needing transportation services through the returning student registration process are now registered. Those families have also received tentative route schedules and invoices—all fees are due June 30, 2019.

For those students who didn't indicate needing transportation service through the returning student registration process and want to now register, simply contact EIPS Student Transportation at 780-417-8151 or email st@eips.ca.

For more information about EIPS Student Transportation visit www.eips.ca/transportation.

NOTE: Fees can be paid online using the [PowerSchool Parent Portal](#) or in-person at the Student Transportation office—683 Wye Rd., Sherwood Park. The office will remain open during the summer months operating during the same hours as the Central Administration office.
